National News

Our assistance is needed in preparing for a state & chapter presidents/presidents-elect session in Tulsa. She would like anyone (everyone) who served as a state or chapter president within the last five years to answer these questions.

What was the biggest challenge you faced during your term as president?

What do you wish you had known prior to beginning your term as president?

If you attended the state and/or chapter leadership sessions in Tulsa, is there any information you wish had been covered but wasn't?

Please indicate whether you are responding as a state or chapter leader.
