Message from the President...

I would like to thank our members for the prayers and support they have shown to me and my family during the recent loss of my husband's mother. We were shown how much our members care for each other during this trying time.

We have another member who is in need of our support and prayers. Linda Davis of the Brunini law firm lost her mom after a long illness over the weekend. Please remember Linda, Billy and their family in their time of sorrow.

On a happier note, the past year has been a great success for JLPA. We have raised funds to help those less fortunate than ourselves. We have funded our scholarship program and we have had some really great speakers and educational opportunities.

The membership has entrusted us, your officers, to serve it once again. It is my sincere hope that this year

will be even more successful than last year and with your help, it will be.

Please continue to support JLPA's efforts again this year. Get involved! Remember, you get out of an organization what you put into it. If you are interested in working on a committee, please contact me at rpeden@brunini.com.

Your officers and board look forward to serving you and working with you in the coming year.
