April 27-29, 2018

Vicksburg, MS

Mississippi is full of history everywhere you go, and this year Jackson LPA would like to invite you to join us in historic Vicksburg, Mississippi to explore some history, soak up some legal education, renew old friendships and make some new ones, and join Karen Shearer as she explores the Prisms of Possibilities in the coming year as she leads our Association through the prisms as light shines in a multitude of colors reflecting our personalities and recognizing talents that we hold to help shape this Association.

Please join us Friday night for a “dutch treat” social to be held at Rusty’s Grill on Washington Street. Rusty’s has fabulous food and it’s across the street from the Lower Mississippi River Museum. Come early Friday – the museum is open from 9am-4pm.

Saturday morning we’ll begin with professional development led by President Barry Pickreign, CLP, ALP, followed by a trip to Walnut Hills where we’ll have our Certification Luncheon at Nogales House. Following the luncheon, we’ll return to the hotel for our Annual Meeting, and we’ll end our day Saturday with a very special installation banquet at The Anthony – set among the hills of Vicksburg at the Country Club – where we’ll have beautiful scenery around us as we enjoy the banquet festivities and the opportunity to enjoy the sunset over the majestic hills of Vicksburg.

Prisms will be everywhere over the weekend and we hope you’ll explore the reflection of the light shining from all who attend, and who are, after all, our Prisms of Possibilities.
